For background, methodology, references, detailed policy recommendations, and additional information on teen births in California, including copies of the *No Time for Complacency* Policy Review, and the *No Time for Complacency* Teen Births 2006 Spring Update, please visit <http://crahd.phi.org>.

This work was funded in part by a grant to the Public Health Institute from The California Wellness Foundation (TCWF). Created in 1992 as an independent, private foundation, TCWF's mission is to improve the health of the people of California by making grants for health promotion, wellness education, and disease prevention programs.
